

Context:-

At SSSC our ethos is to give students the opportunity to succeed and achieve. SSSC believes a tailored and personalised curriculum is essential. The excellent breadth of qualifications offered at SSSC includes external examinations which range from GCSE, Functional Skills, OCR Entry Level, Princes Trust, BTEC and Aim Awards. Additional units are then added through these qualifications to allow for individualised learning and varied levels of attainment.

The curriculum utilises both Teaching Assistants and Teachers unique and transferable skills, this enhances the students learning both academically and in their economic wellbeing. At SSSC we have extremely high expectations throughout all subjects and abilities. Our qualifications are suitable for all students to achieve and develop.

SES Judgements

Attainment at the end of KS4 qualifications exceeded expectations. Continued development has been made in the external qualifications through the variety of qualifications on offer.

Targets:- Action plan How are we going to achieve this?

- ***Every student in KS4 will leave with a nationally recognised qualification in Maths, English, Science and PSHE.*** This will be achieved by bespoke individualised qualifications plans being produced and adapted as to suit the needs of each student. Where appropriate year 10 pupils will be entered for OCR Entry Level exams / Aim Awards qualification/ BTEC and in year 11, students will be entered for GCSE's, Functional Skills and resits of OCR Entry Levels where appropriate.
- ***All students in KS4 will achieve at least three externally accredited courses in foundation/ vocational subjects.*** This will happen by all students being entered for OCR Entry Level, Functional Skills or Aim Awards in English and Maths. A vast selection of other GCSE, OCR, Functional Skills, Princes Trust and AIM Award qualifications will be delivered throughout a variety of subjects on top of the core offer.
- ***Continued development of nationally recognised qualifications, exam boards and appropriate Alternative Provision.*** Courses are carefully selected to ensure that each unique student achieves their full potential. This may include alternative provision for designated students if facilities are not suitable at SSSC. Continued development of bespoke units have been written in Aim Awards as well as students being entered in Year 10 for OCR Entry Level qualifications ensuring maximised learning is achieved.
- ***Continue to improve qualification and curriculum offer at SSSC.*** Qualifications offered will range from Aim Awards Entry level 1 through to GCSE. This allows all students at SSSC the opportunity to reach their full potential. Students in KS4 will achieve Princes Trust qualifications through the designated Life Skills curriculum and certain vocational and foundation subjects.
- ***Current Year 11 Students will leave with a minimum of 18 credits through the appropriate level of Aim Awards.*** This will be achieved through a variety of subjects depending on the student's personalised curriculum. On entry to KS4, pupils will be given individual targets depending on ability.
- ***Training of staff to become Internal Verifiers for AIM Awards.*** Another member of the leadership team to complete Direct Claims training for AIM Awards as support for the Assistant Head as an Approved Internal Verifier. Identified staff will attend training to become Internal Verifiers for AIM Awards.
