Covid Catch-up Premium planned spending 2020/2021

Introduction:-

The government has announced £1 billion of funding to support children and young people to ‘catch up.’ This includes a one-off universal £650 million catch-up premium for the 2020 to 2021 academic year to ensure that schools have the support they need to help all pupils make up for lost teaching time.

Allocations will be calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years reception through to 11. Special, AP and hospital schools will be provided with £240 for each place for the 2020 to 2021 academic year.
