How parents/carers can support SSSC:

We ask parents/carers to:

- Support the school's ethos, values, policies and behaviour expectations, helping to promote a positive, respectful and inclusive community.
- Encourage my/our child to have a positive attitude towards school, learning and the wider opportunities available.
- Ensure my/our child attends school regularly and punctually. I/we will notify the school promptly of any absence.
- Encourage my/our child to wear the correct school uniform.
- Inform the school of any concerns relating to my/our child's education, wellbeing or circumstances that may affect their learning, behaviour or attendance.
- Attend parent/carer consultation events, workshops, meetings and other events where possible to support my/our child's education and progress.
- Treat all members of the school community with courtesy, respect and consideration.
- Work in partnership with the school to promote online safety, including monitoring and addressing any inappropriate use of digital technologies or communication.
- Raise any concerns or suggestions directly with the school through appropriate channels, rather than discussing school matters on social media.
- Keep emergency contact information up to date and ensure the school is informed of any significant changes to family circumstances, medical needs or safeguarding concerns.
