Summer 1 May 2023

As this term comes to an end at SSSC we would like to thank you for your continued support.

TERM DATES:

Summer 2: 2023

Monday 5th June - Friday 21st July 2023

We will closing for the summer holidays on **Friday 21st July at 1.30pm.**

RECYCLE ORAL PRODUCTS:

SSSC are taking part in **TerraCycle's Green School Project**. We are setting up our own **RECYCLING HUB** so we can keep hard-to-recycle rubbish from landfills, and raise funds for SSSC.

We are collecting **Oral Health Products to recycle**, these include :

- **Any brand of toothpaste tubes and caps**
- **Any brand of plastic toothbrushes and outer packaging**
- **Any brand of electric and battery tooth heads**
- **Floss containers and outer packaging**

Do not throw away your Oral Health Products!! Put them in a bag and bring them into school. The more we recycle, the more we help the planet and raise funds for SSSC. Thank you

KS3 THEME TRIP TO DERBY-COUNTY:

On Wednesday 29th March, students from KS3 took part in a Theme trip to Derby County's Moor Farm training ground and Pride Park Stadium. Pupils were able to experience the theme of 'Inspirational People' by spending the morning with Derby County's youth team. Pupils completed a warm up routine on one of the training pitches at Moor Farm, before working through an exciting carousel of football and sport related activities.

Pupils were then given the opportunity to explore Pride Park Stadium, take part in mock post-game interviews in the media room, spend time in the home and away changing rooms and see the pitch up-close from the touchline. It was a fantastic day which helped to embed the theme of Inspirational People for the pupils whilst making aspirational goals for themselves.

SSSC Safeguarding Message

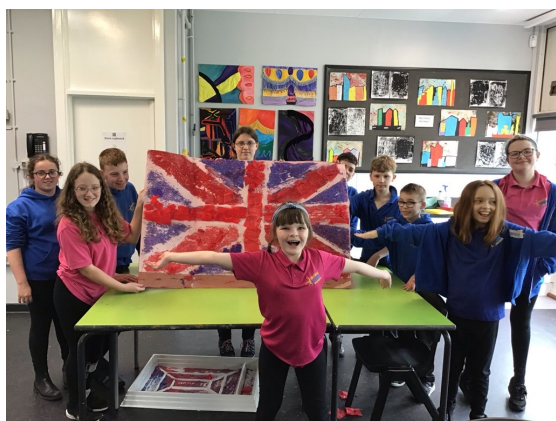

SCHOOL MENTAL HEALTH— BRONZE AWARD:

We are delighted to confirm that Swanwick School and Sports College has been awarded the 'School Mental Health Award' – Bronze Status by the Carnegie Centre of Excellence for Mental Health in Schools.

The award recognises a whole school approach to mental health and covers eight key competencies including organisational structure and culture, support for staff and pupils and working with parents and carers.

KINGS CORONATION:

Students and staff at SSSC came together on Friday 5th May in celebration of the coronation of King Charles III. Festivities began with Mr Bradley providing an Assembly on the other King Charles' we have had in British History and looking at King Charles III ascension to the throne.

And finally...

During Summer Term 1 two long serving and valued members of staff left SSSC. Nicola Cogan who worked as the School Business Officer for over 13 years and Terina Lee who has been the cleaner for many years have moved on to other positions within Derbyshire County Council. We wish them all the best in their future endeavours.

KS4 VISIT TO DERBYSHIRE CRICKET GROUND:

Our KS4 Physical Education group went to Derbyshire County Cricket Ground to watch them play Gloucestershire. We were lucky enough to be treated very well by Derbyshire who invited us on a tour of the ground and facilities. We were able to see the indoor cricket facilities, BBC Radio Derby commentary box, YouTube streaming centre and the media centre. Jane (Derbyshire County Cricket and International scorer) and Jess (Inclusion officer for Derbyshire County Cricket Club) showed us around the site and explained the many job roles that are involved in a cricket match. We learnt about the history of the club and ground and were even able to demonstrate the cricket skills we have been practicing in our lessons. A truly memorable and interesting day.
